

SILENT AUCTION 2018

September 29, 2018: 10 AM – 4 PM

Bay State Green, Downtown Westborough

The Westborough Cultural Council requests your support in keeping the arts and humanities vibrant in Westborough. Our mission is to support the cultural environment and creative opportunities that provide diversity and availability to all residents of our town.

We are very pleased and excited to present the ninth annual Arts in Common festival, to be held on Saturday, September 29, 2018 on Bay State Green in Westborough. The free, town-wide event invites the whole community to join together in a celebration of art, music, dance, food and fun! The day-long festival features artists, musicians, performers and crafters from our local community and beyond.

We are soliciting diverse items for our Silent Auction at the festival. We will have signage to show the donor of each article. Your contribution will help to make Arts in Common even more exciting.
